Pluma

FOAM PERFORATED FABRIC
soft and thin, moderate thickness, full materual ounch design.
MIDDLE SUPPORT OF
Using posituve pu-skin, back with sponge,comfortable to wear.
FIXED SIDE BUCKLE SUPPORT
Square buckle position just designed at both ends od the shoulder strap, will not cause a bit uncomfortable.

How to use

1.

Place posture corrector brace, it's in a "Figure 8 shaped"

2.

Slip the brace on like you would put on a bcakpack. The triangle buckle should point down once the brace is on your back.

3.

To adjust the fit, undo the velcro closures and pull the straps tighter until your desired level of posture support is reached.

Your should feel your shoulders being gently pulled back.
