Shenzhen Chenyangguang
Garment Accessory Co.,LTD

Established in 2011 year, is a star company.

We specialized in manufacture of styling accessories, located in beautiful city of Shenzhen, Guangdong Province. The main products are polyester bone , plastic bones , crinoline horsehair braid , corset steel busk, flat steel bone, fold over elastic, ribbon, bra straps, bra slider and so on. Our company's culture is providing the most valuable products and services to the domestic and foreign customers, improving the level of life, enjoying a quality life.

We are happy to provide a comprehensive service for our customers, from inquiry to customer receipt, customer feedback and a series of follow-up service. We believed service attitude that will improve the additional value of products is more important than the product.

Our company are well recognized by the industry for our integrity, strength, products quality and our warm service. We sincerely welcome you to visit Chenyangguang !
