## SUITABLE CHEST SIZE

**FOAM PERFORATED FABRIC**

soft and thin, moderate thickness,  
full material ouch design.

**MIDDLE SUPPORT OF**

Using positive pu-skin, back  
with sponge, comfortable to  
wear.

**FIXED SIDE BUCKLE SUPPORT**

Square buckle position just designed at both  
ends of the shoulder strap, will not cause a  
bit uncomfortable.

# How to use

1.

Place posture corrector brace, it's in a "Figure 8 shaped"

2.

Slip the brace on like you would put on a backpack. The triangle buckle should point down once the brace is on your back.

3.

To adjust the fit, undo the velcro closures and pull the straps tighter until your desired level of posture support is reached.

You should feel your shoulders being gently pulled back.
